

EFL Global

About Us

Growing Businesses. Transforming Supply Chains.

A leader in global supply chain solutions, EFL provides air freight, ocean freight, ground freight, warehousing, customs brokerage, order management and other services to the international community. We offer an extensive service menu, backed by a network of owned offices and facilities. Our innovative approach to freight forwarding combined with our willingness to embrace digital is the recipe for your business' success.

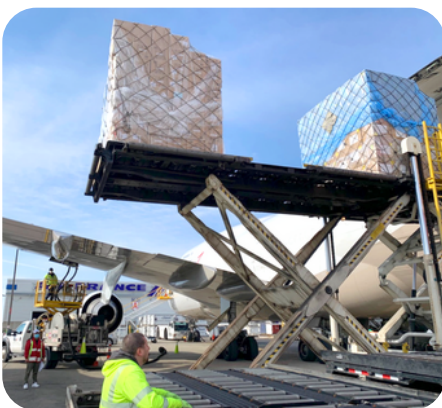

We are a recognized leader in freight forwarding across many verticals, including agriculture, apparel, pharmaceuticals, technology, automotive, and more. EFL covers 39 countries with 70+ offices, and is backed by a diverse team of 3,000+ employees who are driving the future of freight forwarding.

Sustainability

As a freight forwarder, we're aware of the lasting impact transportation can have on our world.

As an organization, we've made a commitment to enact green logistics to offset carbon emissions and revive the planet.

Through data management systems, carbon calculators and environmental focused sustainable projects, we're making calculated business decisions to heal the environment.
