

# EFL Global

## Transloading & Consolidation

### Our Differentiators

- Door-to-door coverage through carrier partnerships, global network of owned offices, and multiple modes of transportation
- Close to key ocean ports globally to pull containers for transloading
- Frequent and flexible scheduling with cost effective shipping by combining cargo
- Secured cargo with full visibility for multiple freight modes
- Consistent, prompt service for containers upon arrival

Flexible Solutions

Cost - Effective

Efficient Operations

### About EFL Global

You can rely on EFL Global to provide innovative transloading and consolidation solutions to move your goods using the necessary means of transportation. We put our customers first, providing a tailored approach to meet specific shipping needs.
