

EFL Global

LCL Service

Miami to El Salvador

EFL Global is launching a Less-than-Container Load (LCL) consolidation service from Miami to El Salvador, providing a reliable and cost-effective solution for cargo shipments. Our service ensures efficient transit and handling at our bonded and non-bonded facility in El Salvador.

Key Benefits

- Reliable and Predictable – Scheduled sailings ensure consistent supply chain planning.
- Optimized Transit Times – Efficient routing minimizes delays and ensures timely delivery.
- Cost-Effective – Consolidation reduces shipping costs for smaller shipments.
- Expanded Reach – Potential for direct FCL shipments to Guatemala, Honduras, and Nicaragua when minimum cargo volume (55 CBM for a 40'HC) is met.
