## Hai Phong

### About EFL Global

Southeast Asia is one of the most active regions for production in the world. We have owned offices and facilities across the region, and extensive supply chain solutions that expertly navigate local transportation laws and shipping challenges in one of the most critical logistics markets.

EFL Global's Hai Phong facility serves as a key logistics hub in northern Vietnam, supporting import and export operations through bonded and non-bonded warehousing, distribution, and value-added services.

### Facility Details

- Near Hai Phong Port and major industrial zones for quick port access and inland distribution
- Total area: 528,000 sqft
- Warehousing and distribution, inland transport and customs clearance
- GOH handling, pick & pack, ticketing, bundling, and labeling
- Kitting, barcode scanning, order fulfillment, and cargo inspection
