

EFL Global Spain

About Us

EFL Global Spain provides air freight, ocean freight, warehousing, and transportation services across key trade lanes. Our extensive service menu is supported by reliable partners at major Spanish ports, offering value-added solutions including consolidation, customs brokerage, and inland distribution.

Spain Opportunities

- FCL and LCL services with strong carrier relationships (MSC, ZIM, CMA, Evergreen, etc.) and co-loaders (Globelink, IFS)
- Inland transport and warehousing through suppliers near major Spanish ports, with ties in Valencia, Barcelona, and Gijón
- Air shipments managed through two IATA-certified forwarders
- Customs clearance handled by the same forwarders as air shipments, utilizing in-house customs departments

Verticals

- Technology: (GEN & DG cargo)
- Retail: We coordinate shipments from India & Pakistan to Barcelona.
- Legumes: Import FCL containers in big bags, bags, bulk to Gijon port
