About LEI

EFL Global acquired LEI in 2023, expanding its Canada footprint as one of the top logistics providers in the region. LEI takes pride in being a solutions oriented company that takes time to understand each customer's individual business needs. LEI's freight forwarding and customs experts are always striving to eliminate transportation barriers for its clients.

As an asset-owning forwarder with its own bonded warehouses and cartage services, LEI has the resources needed to ensure your shipments get to their destinations quickly and economically. LEI's relationships with local suppliers as well as international air, ocean, and overland partners consistently provide customers with the best routing and pricing options.

For more information about our solutions in CANADA, please contact your local EFL Global representative.
